**Fresh Cooled Semen is available for collection Monday-Friday  
via UPS or FedEx Shipment.**

- ◆ To guarantee a spot on the collection list please notify BWW by **5 pm PST the day before semen is requested to be collected.** However, every effort will be made to accommodate any and all same-day semen collection requests (so please don't hesitate to contact BWW with same day collection requests and we will do our very best to meet your request if at all possible). **Same day requests are not guaranteed.**
- ◆ If you expect a collection will be needed, please contact BWW and you will be notified of our cancellation deadline time for the next day when semen is being requested to be collected. **(There is no penalty to cancel a request on collection day as long as it has not already been shipped.)**
- ◆ Please know our Blackout dates - <https://bridlewoodwelsh.com/calendar/>
- ◆ Every effort will be made to ship two breeding doses per shipment, but BWW only guarantees one dose per requested shipment. If a second dose is required, it is the responsibility of the Mare Owner / Veterinarian to order a second shipment and all fees apply.

**To Oder Semen Text or Call 805-459-2918**

*(Be advised our phones are on an internet calling system, missed calls may not be seen and voicemails can be delayed. Texting is the most reliable form of communication. If you have not received confirmation from BWW please do not hesitate to contact us again. We do not mind repeat points of contact. It is our goal to provide the very best in customer service and we thank you in helping us meet all of your needs in communication.)*
